ENTREPRENEURIAL SUPPORT PROGRAM

NOTICE TO NEA MEMBERS

Notice No.: NEA/CIC/2082/001

Date: Chaitra 4, 2082

Application for Co-working Space at Cosmic Innovation Center (CIC)

BACKGROUND

Pursuant to the Memorandum of Understanding (MoU) signed between Nepal Engineers' Association (NEA) and Cosmic Electrical Limited on 23rd Magh, 2082, a strategic partnership has been established to foster entrepreneurship and innovation among Nepal's engineering and architecture professionals.

Through this collaboration, Cosmic Electrical Limited, via its Cosmic Innovation Center (CIC), is committed to providing co-working space, mentorship, and business development support to emerging engineer and architect entrepreneurs.

Nepal Engineers' Association hereby invites applications from eligible and motivated engineer/architect entrepreneurs for the first batch of this transformative entrepreneurial support program.

PROGRAM OVERVIEW

- **Fee:** Free of cost
 - **Number of Beneficiaries:** Six (6) engineers/architects annually (Two batches, Three (3) engineers/architects per 6 months from the date of onboarding)
 - **Location:** Cosmic Innovation Center (CIC), Sanepa Marg, Lalitpur, Nepal
 - **Program Nature:** Full entrepreneurial ecosystem support including co-working space, mentorship, networking, and business development guidance

ENTREPRENEURIAL SUPPORT PROGRAM

1. QUALIFICATION CRITERIA

A. MANDATORY ELIGIBILITY REQUIREMENTS

Professional Credentials:

- Founder, co-founder, or key promoter must be a renewed member of Nepal Engineers' Association (NEA)

Entrepreneurial Status:

- Must be a founder, co-founder, or key promoter of a registered startup/enterprise in Nepal
- Enterprise must be registered with relevant Government of Nepal authorities (Office of Company Registrar, Department of Industry, or equivalent)
- Enterprise age must not exceed two (2) years from the date of registration
- Business must be technology-driven, engineering-focused, architecture-focused, or innovation-based

Commitment Requirements:

- Ability to physically utilize co-working space for a minimum of twenty (20) hours per week
- Full commitment and availability for the entire six (6) month program duration
- Willingness to actively participate in all mentorship sessions, workshops, and program activities
- Readiness to comply with program guidelines and reporting requirements
- Agreement to provide monthly progress reports to NEA and CIC

B. PRIORITY CONSIDERATION CRITERIA

While all eligible applicants will be evaluated fairly, priority consideration will be given to:

- Innovative solutions addressing critical national development challenges (infrastructure, energy, water, sanitation, transportation, etc.)
- Women engineers and architects promoting gender diversity in entrepreneurship
- Entrepreneurs from underrepresented groups and marginalized communities
- Projects demonstrating significant job creation potential (minimum 5 jobs within 2 years)
- Sustainable, environmentally friendly, and socially impactful ventures
- Businesses aligned with Nepal's Sustainable Development Goals (SDGs)
- Entrepreneurs from provinces outside Bagmati Province promoting regional balance
- Ventures demonstrating export potential or import substitution capabilities
